

Be a

SHINING LEGACY.

Sign up to be a donor!

Every April, we celebrate National Donate Life Month and encourage everyone to sign up as organ, tissue and eye donors. We also honor those who have saved and healed the lives through the gift of donation.

THANK YOU!

DID YOU KNOW?

- Nationwide, more than 100,000 people are on the wait list for a lifesaving organ transplant.
- More than 1,000 of those patients are in Indiana.
- Every nine minutes, another person is added to the national transplant waiting list.
- One donor can save eight lives and heal the lives of up to 75 people.
